

Work Experience

Trine University

Resident Director

08/01/2022 - Present

Working as a Resident Assistant at Trine University, where I am tasked with leading a team of resident assistants and teaching them how to best serve the residents of Trine. I oversee multiple residence halls where I must act as a role model to the residents who reside in them and act as a support system for them.

Pinecone

IT Intern

01/31/2022 - Present

Working as an intern at Pinecone/Crown Haven where I am tasked with various tasks such as documenting and testing systems, and acting as a first line of support to Pinecone customers.

Trine University

Resident Assistant

08/01/2020 - 08/01/2022

Worked as a resident assistant at Trine University where I was tasked with acting as a support line for residents, helping with any questions, concerns, or issues that they may have. I acted as a leader and role model on campus while I planned events and helped others as best as I could.

Work Experience

FedEx/Manpower

Temp Package Sorter

05/01/2021 - 08/01/2021

Worked as a package sorter at FedEx, employed by Manpower, where I assisted in a warehouse setting to ensure packages were able to reach their destinations.

Trine University

Work Study: Financial Aid Office

09/01/2019 - 08/01/2020

Assisted students in the front office of the financial aid office at Trine University by answering questions regarding their financial aid package and the FAFSA. I acted as the first line of contact with financial aid for students as I worked to get them the assistance they required.

Lucas Oil

Part-Time Groundskeeper

07/01/2019 - 02/01/2022

Worked as a groundskeeper at the Lucas estate, helping maintain the plants around the property while also assisting on many various tasks from pressure washing to general cleanup from inclement weather, events, or seasonal decorations.

Work Experience

McAlister's Deli

Food Preparation

05/01/2019 - 08/01/2019

Worked in the kitchen at McAlister's Deli in a team-based environment, helping to create food, assist others when they needed help, keep the kitchen clean, and close the restaurant every night.

Eli Lilly

R&D Intern

06/01/2018 - 07/01/2018

Assisted the small scale purification R&D department at Eli Lilly with research in a lab and office setting, working with basic Office software such as Word and Excel.
